Joining your Coursera program
Check your email inbox

Open the Coursera invitation email sent to your work email. Click on Join Now to redirect to the Coursera home page.

Your Coursera admin may also email you a direct URL to join your organization’s Coursera program.
Click “Join For Free”

Next click on Log in with your organization to join the program through your organization’s SSO authentication.

If your organization does not use SSO, click on Sign Up to create your Coursera account using your work email. You will not see a Log in with your organization button.
Setting up your Coursera account
Create your account

After you've joined your program, you'll be redirected to a Welcome to Coursera page where you will have 2 options for account setup.

A) If you don't have an existing Coursera account, select I'm a new Coursera user

B) If you do have an existing Coursera account click the 2nd option I'm an existing Coursera user. On the next page you'll enter your Coursera password to join the program.

If you've gone past this step and need help merging a pre-existing Coursera account, you can go to the Learner Help Center and start a chat with a Coursera Support agent for assistance.
Enrolling in a Course
Choose your course

After you create a new Coursera account or log in with an existing Coursera account, you’ll be taken to the program home page.

Click on the Catalog tab to browse the courses curated for your program. Once you have chosen a course that interests you, click on the course tile to access the course details.
Start your course

On the course details page, click on **Enroll for Free**. Follow steps on screen to start learning.

Each course has a very detailed description to help you better choose the course that fits you.

The description includes:
✓ Skills that you will gain
✓ Level
✓ Workload
✓ Rating
✓ Detailed syllabus

If you decide to enroll, click on the **Enroll for free** button on your top left—it will change to say **Go To Course**. The courses are paid for by your organization.

Start dates are suggested to keep you on track—you can reset if things get busy. Once you enroll you can start watching videos and taking quizzes immediately.
Starting a Course
Go to your course

After you enroll in a course, it will show under the **My Courses** tab on your program home page. Click on **Resume** or **Preview** on the right to enter the course.

You can also get to your course under the **Catalog** tab on your program page. Navigate to the class tile, click into it, and then click on **Go to Course**.
Access course materials

When you enroll in a course, you will be taken to the Course Page. The course will be broken down by weeks in the left navigation bar, and links to assignments, videos, and readings will appear in the right fields.

Click on Start to access the first module in the course.

Click on Resume if you are returning to a course to start where you last left off.
View your course progress at a glance

Every course page has a timeline to help you easily see how you are progressing through a course. You can see what you have completed, and what you need to do next.

The Resume button takes you back to where you last left off—even if it was in the middle of a watching a video.

Start dates are suggested to keep you on track—you can reset them if things get busy.
Keep track of your grades and completed assignments

On the Grades tab, you can:

- View all the quizzes and assignments in the course.
- See which assignments are due or overdue.
- See all your graded quizzes, and completed assignments.
- Retake quizzes and assignments from this page if you need to improve a score or if you did not pass the first time.

Discussion forums for your course

You'll have the opportunity to exchange feedback on assignments and discuss ideas in your course discussion forums as you work together to master new concepts and best practices.

Discussion forums are accessed through the left-hand menu on your course page. These are available for most courses.
Connect beyond your course in the Coursera Community

Visit www.coursera.community while logged in to your Coursera account. Click on Login at top right to get started.

In the Community, you can:

✓ Dive deeper into topics of interest
✓ Ask and answer questions
✓ Meet other people using Coursera to improve personally and professionally
✓ Get and share study tips
✓ Attend online events
Finding video segments with Coursera’s interactive & searchable transcript

The full transcript of each video can be clicked and jump to the corresponding point in the video. Search the transcript if you’re looking for a particular lesson concept.
Graded quizzes ensure you understand concepts

Quizzes include multiple question types from the instructor to test learners through the course.

You can retake quizzes and assignments if you need to improve a score or if you did not pass the first time.
Download the Coursera mobile app to learn on the go!

Ease of use

95% of the 2000+ courses on Coursera can be taken from beginning to end on your mobile phone, laptop, or tablet.

Unparalleled accessibility

Coursera is available anywhere at any time. Courses are available offline, over 35 languages subtitled, with availability across Android and iOS.

Intuitive classroom experience

Coursera keeps lectures and lessons short, so learners can make meaningful progress in just a few minutes a day.
Sharing your accomplishments
Access and share certificates of completion

You can access your certificates of completion under the **Accomplishments** tab in the **My Coursera** page.

To access the **My Coursera** page click on the arrow on the upper left-hand corner on your Coursera home page. In the dropdown menu click on **My Coursera**.

Next, click on the **Accomplishments** tab in the left-hand menu.

Once here, you will be able to share the course certificate directly to LinkedIn.
Coursera credentials are the second most popular on LinkedIn. When you complete a course, you have the option to upload your certificate to LinkedIn where it will appear in your profile.
