مختصر توصيف المقرر

This course is the second part of the Prep-English Program and aims at developing the skills the students have acquired from the ENG 101 language course. It also helps the students with the creation of paragraphs, combining ideas and developing the conversation and interviewing skills. This course (ENG 102) is being delivered through 16 contact hours a week for 15 weeks resulting in 240 contact hours in the second semester. The material used is the last five units of Q: Skills for Success ONE book and the whole Q: Skills for Success TWO book .

توصيف المقرر (المسار العلمي)		
No.	الموضوعات التي يعطيها المقرر	No. of Weeks
1	The book focuses on the productive part as taking notes to prepare for a presentation or group discussion and use expressions of interest to Keep a conversation going. It also relates to organizing information for a discussion and uses reasons to explain personal beliefs. The students will be able to participate in a group discussion about bad situations with happy endings and give a presentation describing a tour to a popular travel destination. They are expected to use appropriate eye contact, tone of voice, and pauses to tell a funny story or a joke to their classmates.	3
2	This part handles taking notes to prepare for a presentation or group discussion, asking follow-up questions to keep a conversation going, converse politely, expressing tastes and preferences, asking about someone else's talk about musical tastes, conducting an interview to practice and asking questions about choice. The students will be able to conduct a survey to gather opinions on honesty and dishonesty, and then report their results to the class. They are expected to deliver a presentation providing instructions on how a person can make a change in his/her life using phrases for expressing emotions to describe a frightening experience.	3
3	This part gives more focus on the production part of more complex sentences and combining ideas. The students will be able to write a paragraph describing a current trend and why it is popular, create a business and write a description explaining the colors you will use and why, write a paragraph in response to a question on an online discussion forum about politeness, express and support their opinion about what makes a competition unfair, and write a personal letter describing a new family business.	4
4	The course here moves further to describing the steps of a process performed by either a person or a machine, responding to a test question by writing a paragraph that states and supports their opinion, writing a short story that includes a main character, setting, conflict, and resolution, describing their personal experience of learning math in a paragraph that includes numbers and facts, create a FAQ (Frequently Asked Questions) page about an illness that includes a definition of their topic.	4
